The Pro's Choice

Signature
— STEELCLUB® ANGLE MACHINE —

#1 On Tour Worldwide

The New Industry Standard

The advertisement features a black and white photograph of the Signature Steelclub Angle Machine, a specialized tool for repairing golf clubs. A golf club head is shown being worked on by the machine. To the right, a Bridgestone Golf trailer is visible, featuring the company logo and a photo of a golfer. The text "The Pro's Choice" is prominently displayed at the top right, and "The New Industry Standard" is at the bottom left. A banner in the center reads "#1 On Tour Worldwide".

Mike with student, Pat Jones

I came to Michael totally frustrated with the game of golf. His low pressure approach and insightful instruction has given me the ability to strike the ball cleaner and hit the ball straighter with added yardage. My golf scores are now going down and my golf partners eyebrows are going up. Michael has made the game of golf fun again.
